and we are fully prepared to meet the Rush for Light Weight
goods that is sure to come this week, as all are preparing
for the Glorious Easter Holidays.

The Public's Verdict

Expressed on all sides during our Spring Display last week, was that

we hold the place we so justly claim.

Leaders in Every Line We Handle.

And now that the prologue is over, we will put our shoulders to the wheel and commence pushing off our tremendous large stocks.

Our Lace and Embroidery Dep't

Showing some immortal cheap Linenoidemis and Laces and Endings.

should note, for we have no time to enumerate this week.

House-Furnishing Department

Housekeepers, Hotel Proprietors and those contemplating going Housekeeping, should look in at this Department this week. Table Linens, Napkins, Towels, Splashes, Utensils, and etc., will be shown at wonderfully low figures.

White Goods Department.

In this line we "reign supreme," never before has such a large line of Novelties in wash Dress Goods been shown at one counter, they are too numerous to be described, prices are way down this season.

Parasols and Fan Department.

Just come and look and see the price, that will exceed all in beauty, looking at goods and getting prices tell more real facts in a few words than a whole newspaper full of advertising.

What else ever seemed over from around the world by anybody?
